

City of San Diego
MEMORANDUM

DATE: May 31, 2007

TO: Councilmember Toni Atkins

FROM: Mary Lewis, Financial Management Director 

SUBJECT: RE: Transfer of Staff from the Parking Management and Street Division Departments to the Police Department

This memorandum is in response to your request for information dated May 23, 2007 regarding the transfer of staff from the General Services Department's Parking Management and Street Divisions to the Police Department.

- **What is the total number of Parking Enforcement Officers that have been transferred to the Police Department?**

The total number of Parking Enforcement Officers transferred to the Police Department is 69.50 full time equivalents (FTE). This is comprised of 50.50 Parking Enforcement Officer I and 19.00 Parking Enforcement Officer II.

- **Please provide a breakdown of which departments the Parking Enforcement Officers were transferred from.**

The 50.50 FTE Parking Enforcement Officer I positions and 19.00 FTE Parking Enforcement Officer II positions were transferred from the General Services Parking Management and Streets Divisions. The following table provides a breakdown by department of these positions.

Position	Parking Management	Streets	Total
Parking Enforcement Officer I	41.50	9.00	50.50
Parking Enforcement Officer II	18.00	1.00	19.00
Total	59.50	10.00	69.50

- **How many management/supervisory staff were transferred to the Police Department to oversee the Parking Enforcement Officers and which City departments were these positions transferred from?**

Eight (8 FTE) Parking Enforcement Supervisors were transferred to the Police Department from Parking Management and 1.00 FTE Public Works Supervisor was transferred from Streets Division.

May 31, 2007

- **Are there Police Officers supervising non-sworn Parking Management staff?**

The Police Department is preparing a response regarding the supervision of the non-sworn Parking Management staff.

ML/man
